Space still available at The Lofts

For The Times Herald

Luxury apartments at The Lofts at Valley Forge are going fast. Sixty percent of available units have been leased since O'Neill Properties put them on the market Oct. 31. This week saw the signing of the 100th lease, leaving just 71 completed units available for rent.

However, those interested in making a home at The Lofts still have a chance to lease. O'Neill Properties is adding 217 more units and four more buildings to the 65-acre live, work, and play environment.

When complete in August 2008, The Lofts at Valley Forge will comprise 388 units in seven buildings on the banks of the Schuylkill River, at the foot of Valley Forge National Park.

The Lofts feature one- and two-bedroom apartments with fresh floor plans and first-class features. Every apart-

ment has 9-foot ceilings, and includes gourmet kitchens with Whirlpool Premium Appliances, custom premium wood cabinets, and granite counter tops with breakfast bar seating. Large windows and private balconies provide dramatic, unobstructed river views. Each unit also has a laundry room with a washer and dryer, and is pre-wired with Comcast's Triple Play package and Verizon's FIOS (fiber optics service), so residents can choose their phone, Internet, and video service provider.

To arrange a tour, contact The Lofts sales center at 1-888-269-2589 or visit TheLoftsAtValleyForge.com.
